

YUSUF BIN QUASIM KHAN

Lucknow, Uttar Pradesh, India | +91 9415164965 | yusufbinquasimkhan@gmail.com

PROFESSIONAL SUMMARY

Computer Science graduate (B.Tech) with hands-on experience across financial advisory, marketing and lead generation, and graphic design and video editing. Skilled in client communication, content creation and data tools (Python, SQL, Excel, Power BI). Fluent in English, Hindi and Urdu; seeking a role where a mix of technical, creative and customer-facing skills adds value.

PROFESSIONAL EXPERIENCE

Niftel Communications Pvt. Ltd., Lucknow

Apr 2026 – Present

Financial Advisor

- Advise clients on financial products and services, understanding their needs and recommending suitable options.
- Handle client communication and follow-ups, maintaining records and meeting monthly targets.

Khurafatti Production, Lucknow

Oct 2025 – Apr 2026

Graphic Designer & Junior Video Editor

- Worked with creative and post-production teams on graphic design, video editing and content development projects.
- Delivered creative assets aligned with project requirements and the company's creative standards.

Krutanic Solutions (EdTech), Bengaluru

Mar 2025 – Oct 2025

Marketing Executive – Lead Generation

- Generated and qualified leads for education programs through outreach and marketing activities.
- Worked against defined lead-generation targets in a fixed-plus-incentive role.

PROJECTS

AnyToPDF – Offline File-to-PDF App (Android & Web)

github.com/yusufkhan391921/Any-to-PDF

- Built a private, offline app that converts mixed files (images, DOCX, TXT, RTF, HTML, Markdown, XLSX, CSV, PDF) into merged or separate PDFs.
- Added file preview and reordering, A4/US Letter sizing, portrait/landscape orientation and margin controls; all conversion runs on-device with no server.
